Recollection

Dear Parishioners,

Thank you for your contributions of prayer, service, and donations to God's work at OLG during the past year. Congratulations on almost \$750,000 income to the Building Fund! For our regular parish expenses, you can see that we are \$35,000 short, which means that we still need an increase in our first collections. Thanks to our small staff and to so many volunteers at our liturgies, catechetical classes, groups meeting weekly, retreats, and fund-raisers. This page shows just a little of the ministry taking place in our parish. We count on your continued support and pray for you to be richly rewarded.
